

BRAND BOOK

Jukeros

Jukeros by Dimitris Chomatas is a young, premium Greek producer founded in 2015. The production is located in the city of Kallithea in Athens, which is part of the region of Attica. Our products are exported to the EU, USA, and Canada and the labels are bilingual (Greek and English)

Chef Dimitris Chomatas

Our Chef, Dimitris Chomatas has gained a significant experience in the restaurant business and has worked in Greece and abroad. He supervises and directs our daily production, aiming to guarantee high quality standards and also a constant exploration on new and exciting, original Greek specialty products and concepts.

Jukeros Product Concepts

Among our most popular products, are our sugar free lemonades and natural sugar free ice-tea beverages. They contain only pure ingredients such as agave nectar with fruits, herbs, chia seeds and spices, giving a whole new experience and to bring out natural sugar-free drinks with a refreshing taste and great toning.
